<https://www.indiamart.com/harshirrigation/>

We are an ISO 9001:2008 certified company engaged in Manufacturing and Supplying a comprehensive assortment of Irrigation Valve, Fittings & Allied Products, etc. These are known for their simple fitting, durability and high tensile strength.

## About Us

Established in the year **2009**, at **Ahmedabad (Gujarat, India)**, we, "**Harsh Irrigation Pvt. Ltd.**", are a prominent name engaged in **manufacturing** and **supplying** a quality assured range of **PP Filter, PP Valve, Flush Valve, NRV & Butterfly Valve, Push Fitting, Irrigation Sprinkler, Poly Fitting, PP Flange, Service Saddle, Ventury with Manifold**, etc. The products offered by us are manufactured using optimum-grade material that is sourced from most trusted & reliable vendors of market with the aid of our procuring agents. These products are appreciated by customers for their robust construction, dimensional accuracy, durability, fine finish and efficient performance. Moreover, to cater to the diverse requirements of customers, we offer our range in variegated specifications at market-leading prices. The offered range is available in various sizes, shapes and dimensions as per the segregated requirements of our esteemed clients.

We have constructed a multifaceted infrastructure at our premises to carry out the business operations in a swift manner. This facility is empowered with latest machines and advanced technology that is essentially required in the manufacturing process. Also, we have developed a capacious warehousing unit for safe & systematic storage of the offered range. Apart from this, we have recruited a competent team of professionals, which helps us in offering an impeccable array of...
