

Haryana Sales Industries

<https://www.indiamart.com/haryanasalesindustries/>

Haryana Sales Industries began its venture as a reliable and noteworthy **wholesale trader** and **supplier** of **Sewing Machine**, **Stitching Machine Spare Parts**, **Sewing Threads** and many more.

About Us

Incorporated in **1997** at **Delhi**, **Haryana Sales Industries** is recognized as a leading and competent **wholesale trader** and **supplier** of **Sewing Machine, Stitching Machine Spare Parts, Sewing Threads, Sewing Machine Trolley Stand, Stitching Machine Table Stand, Sewing Heads Pedestal, Integral Clutch Motor, Carpet Binding Machine and Carpet Overedging Machine**. We offer these products in the brands **REVO, Gabbar & Daimoku**. These products are widely demanded in the garment manufacturing industry where clients use these products for fabricating clothes. Owing to wide spectrum of products, we draw our clients from various segments of the industry like commercial, industrial and residential. Backed with long years of experience in this market, we have great expertise in providing products that articulate high strength, efficiency, performance and long life. We emphasize on bringing more innovation in the delivery process to remain ahead of the curve along with stable position in the market. Presently, we have whopping number of clients who helps us to grow and develop our product lines according to the prevailing market trends. We are blessed to have trustworthy and leading vendors who enable us to provide premium quality products and also keeping their optimum stock of inventory which further facilitate us to keep the flow of supply chain smooth and trouble free. Furthermore, our present success also came...
