H B Power Controls

<https://www.indiamart.com/hb-powercontrols/>

We are listed amidst some of the renowned **Manufacturers and Suppliers of Electrical Control Panels**. These outstanding products are valued for their brilliant quality, functional fluency and long service life.

About Us

Located at **Coimbatore (Tamil Nadu, India)**, “**H B Power controls**”, we are the prominent **manufacturers and suppliers** of a wide gamut of **Electrical Control Panels**. Our entire assortment comprises **SS Electrical Panel Box, SSB Panel, Industrial Power Control Center, PLC Automation System, Automatic Power Factor Correction Panel (APFC), HT & LT Switch Gear Panel** etc. These products are well known for their operational efficiency, durability and unhindered functioning. We fabricate these products from the finest quality basic material that is procured from some of the trusted vendors of the industry. In addition to this, we also develop these products in custom made modes as per the desired specifications furnished by our esteemed clients. Backed by our state-of-the-art infrastructural facility, we have succeeded in matching steps with the ever changing market trends and meet its growing demands. Our squad of highly qualified and experienced professionals has been the chief reason behind our dominant position in the industry. In addition to this, to offer flawless and perfect products, we have hired quality analysts to keep a strict vigil over the production process. Managed under the competent supervision of our mentor, **Mr. P. A. Haneefa**, our company has reached the zenith of success in the industry. We follow his sharp business policies to cater to the varied demands of our clients in an efficient...
