About Us

Established in the year **2002**, we, **H.D.P.L. Diamond Tools Trading Company**, are one of the leading manufacturers, suppliers and exporters of High Precision Diamond Tools. Our range encompasses Bottom Dop Small (lightweight), Diamond Polishing Machinery, Top Dop small (lightweight), Table Dop, Girdle Dop, Click Gear 8 x and Click Gear 16 x. All products are manufactured using high superior quality spare parts and components to ensure long functional life. These products are known worldwide due to their durability, high precision, premium quality and excellent performance. We use all latest machines and equipment to manufacture our precision range of products, which conform to Indian and international quality standards and norms. Our team of experts enables us to manufacture all the products as per the specifications detailed by our clients to attain utmost customer satisfaction. Further, our team work in close coordination with the clients to understand their needs in better way. Under the Edges of our mentor **Mr. Jagdish Kaswala**, who has years of experience in this domain, we have carved a niche for ourselves in domestic as well as international market. His ethical business policies and strategies assist us in garnering a huge client base all around the globe. **We are looking queries from foreign countries.**
