About Us

Health through homeopathy is the web based homeopathic clinic meant for promotion, practice, clinical research and education. It is under direct supervision of Dr. Keyur Majmundar, DHMS, DIHom (London). It is a place where many of the local as well as international patients are looking for solution to their health through homeopathy. It is a dream of Dr. Keyur to expand the wing of homeopathy to millions others so that they can also look for their solution for their health through homeopathy. Committed to offer the best quality of homeopathic treatment, considering the health, disease and treatment. The treatment will be given on 'Totalistic Approach' (also called holistic approach). As a person is single identity so is the disease which makes the person sick as a whole. One can not consider individual part or system as sick and treat individually. Here the 'diseased individual' is treated with revolutionary totalistic approach. Our sole aim is to treat the sick patient and not the diseased part with best quality of homeopathic treatment of international standard and excellent support system to patients. The packages offered are the best affordable and cost effective for the common man round the world. This principle of totalistic approach was first brought before this world by Dr. Samuel Hahnemann of Germany in 1796. The homeopathic medical science (also called homoeopathy) is in one way called modern science as it is just 216 yrs old. Originated by an...
