Our company is recognized as a reckoned, importer, distributor, exporter and wholesaler offering an exclusive range of Furniture Hardware. The range of products offered by us is appreciated for its low maintenance and tear resistance.

## About Us

We, "**Hemdeep Enterprise**" started in **2004** is recognized as a leading distributors, exporters, importers and wholesalers offering a wide range of Furniture Hardware. An assortment of products offered by us is appreciated by our clients for its tear resistance, low maintenance, easy installations, and excellent performance. Sourced from the certified vendors of the market these are made using magnificent quality raw materials to make these applicable in government organizations, industrial corporations and households.

In order to offer an assortment of quality furniture hardware, the team of our quality controllers examines the end products on certain parameters. Our adroit personnel aim at delivering consignments to our clients within a pre defined time accompanied various means of transportation. We accept payments in cash, DD, credit card and cheque to make fast transactions. We import seventy five percent of our products while importing of twenty five percent of them. With the support of our certified vendors as well as quality-centric approach we have been successful in achieving a high profile status in unified market competition.

With the profound knowledge and guidance of our mentor '**Mr. Hemanshu Mehta**' we have been capable of fulfilling the demands of our customers. His continuous efforts, innovative ideas and extensive market research made us able to build our name in the competitive market. **We are...**
