# Hemnil Protection

<https://www.indiamart.com/hemnil-protection/>

We have gained a notable position in the market as a prime manufacturer, supplier and exporter of Safety Products. Our products are highly appreciated for their excellent quality, high resistance against heat, chemicals and high efficiency.

## About Us

Established in the year **1985**, We, "**Hemnil Protection**", are known as a distinctive manufacturer, supplier, trader, Importer and exporter of quality assured Safety Products. Our range has gained huge accolades from our clients due to its excellent quality, high resistance against heat, temperature and chemicals. These products are extensively used in various industries comprising chemicals, paint & adhesives, pharmaceuticals, and dyeing industry. We export our products **across the world**.

We are a government approved company, which is based on the pillars of honesty and transparency in business. Our sound infrastructure assists us in manufacturing exceptional quality products in an easy manner. Installed with high-end machinery & equipment, our infrastructure is the base of our organization. Further, our diligent team of professionals is dedicated to ensure the fulfillment of each set goal and has enabled us to mark a strong foothold in this domain.

Our organization was established by **Mr. Rajendra Vora** and **Mr. Dharmendra Vora** with a mission of being a market leader. Under their able guidance, we have successfully achieved an enviable position in the market and tremendous success that is significant from the annual turnover of Rs. 10 Million INR. The collective efforts and guidance of our founders have always assisted us in gaining excellence and growing continuously.
