We are one of the glorious manufacturer, trader and supplier with a vision to lead the domain by unmatched expertise. The offered range of our superior quality products includes PE Foam Rolls for tape industries.

About Us

Hem Tech Foam was established in the year **2008** as a manufacturer, trader and supplier with a vision to lead the domain by unmatched expertise. The offered range of our superior quality products includes **Foam Tape, Filter Foam, PE Foam Roll, Polyester Reticulated Foam, Paint Roller Foam, Flame Retardant Foam, Hard Foam, High Comfort Foam, Visco Foam, Spine Care Foam, Sofa Cum Bed Foam, High Comfort Pillow, Spring Mattress, Polyester Foam Paint Roller, Polyester Foam**, etc. To attain high performance and durability of our foams, we manufacture them by using certified grade base materials. Our defect-free products have a wide applicability in various fields such as auditorium, recording studio, interior decoration, automobiles, etc. **Excellent soundproofing, durability, dimensional accuracy and tear resistance** are some of the characteristics of our Foam products that have helped us in establishing our brand name in the market place.

To ensure zero-defect production, our company has highly sophisticated machines which are engaged 24x7 in transforming raw material into best quality goods. Our performance and productivity have bagged us some of the major companies as our clients. For the perfect customization of our offered products, we collaborate with our clients and analyze their specifications and needs. This helps our engineers to develop the customized products in a very accurate manner that meet the expectations of our clients. We have a...
