Manufacturer and exporter of female threaded couplings, reducers, PVC plumbing pipes and PPR pipes.

About Us

Heropoly is a far-famed PEX Pipes Manufacturer and SWR Pipes Exporter, incepted in India. We bring all sorts of PVC pressure pipes which all are universally appreciated for their high level of strength. Heropoly is one of those few successful ventures that have carved a niche for themselves in the market. They have also managed to establish themselves proficiently in today's competitive world of industrialization. UPVCs abrasion resistance, lightweight, good mechanical strength and toughness are key technical advantages for its use as strong, fire resistant, accurate dimensions, negligible maintenance, longer lasting etc primary raw material. These are the features of UPVC, clogging & rust proof hence ensures excellent flow energy, lightweight yet.
