Hexmed Sales & Services Pvt. Ltd.

<https://www.indiamart.com/hexmedsalesandservicespvtltd/>

We are proficient manufacturers, wholesalers and traders of a qualitative range of laboratory and medical equipment. In addition to it, we also provide products catering to oil, chemical, electrical and engineering industries.

About Us

Established in the year, **2000**, we, "**Hexmed Sales & Services Private limited**", are a trusted manufacturer, wholesaler and trader of a superior range of laboratory and medical equipment. Owing to the premium quality of our OEM range of products manufactured, 20 % is exported by us. The range of products manufactured by us is fabricated incorporating the latest technological trends and is at par with the highest standards of quality. With our advanced manufacturing facilities, we are able to manufacture a product range that meets the specific requirements of our clients. We are capable enough to provide customization facilities on the entire range of products manufactured by us. It gives us great pride to be the only company who is doing the entire turnkey project for Haemodialysis Unit and entire hospital projects. Under the leadership of our mentor, "**Mr. Rakesh Kumar Pandey**", we have emerged as the leading name amongst our clients. He is a man of immense caliber and a source of great inspiration for our us. His experience and multi tasking abilities has resulted in the development of a wide-spread client base for us.
