About Us

Hi-Tech Engineers, a professional organization managed by highly experienced technocrats is engaged in the fields of Marketing, Machine Building, Product & Vendor Development & Sub-Contracting since 1988. We offer Back Office services (KPO) for our overseas Customers.

Hi-Tech Engineers has grown steadily over the years and achieved the acclaimed "Preferred Vendor Status" with many of our clients. While striving for "Total Customer Satisfaction", Hi-Tech Engineers has introduced many productive and cost effective solutions to industries in past and promise to continue the same in future.

We solicit Trade Enquiries for our product & Services and look forward for Corporate Partnership with Product manufacturers within India & Abroad.
