We are one of the leading manufactures and suppliers of all types and sizes of envelopes and pre-printing computer stationary that are widely used in the financial and educational establishments.

About Us

Incepted in the year 2007, Hindustan Business Forms is one of the flourishing organizations, engaged in manufacturing and supplying all types & sizes of envelopes and pre-printing computer stationary. We have been offering premium quality envelopes that have successfully replaced traditional cloth-lined envelopes.

Mr. Imran Bagwan is the one of the partners of the company, assisting in acquiring a significant position in the industry domain. His valuable industrial familiarity and practical exposure to the dynamic market change has assisted the company to easily face the challenges and emerge as one of the leading names in the market.

Our qualitative assortment has been known for its durability and accuracy. **India's leading insurance company LIC is our major client. We produce more than 3000000 forms which is a great target we have achieved.** Our research personnel work round the clock in order to improve the existing range and thereby assist in achieving the requisite needs.
