<https://www.indiamart.com/hindusthanmetal-equipments/>

We are one of the leading manufacturer and supplier of an array of Material Handling and Process Equipment. All our products are appreciated for their robust construction and high load bearing capacity.

About Us

Established in the year **2003**, we, "**Hindusthan Metal Equipment**", are one of the established manufacturers and suppliers of an array of **Material Handling** and **Process Equipment**. The organization is based at Hyderabad, Andhra Pradesh (India). All our products are appreciated for their sturdy construction and reliable performance. Our organization has all the requirements to manufacture a range that is in compliance with the the latest market trends. It is made sure by the professionals that the orders are timely delivered and the clients are satisfied with our products. Moreover, we also have the required facilities to tailor the products as per the specifications provided by the clients. All our clients can make payments either by cash or by DD. Our diligent professionals work with an aim to achieve maximum client satisfaction by offering quality products. Our clients include **M/s. Shiva Shakti Steels & Alloys (Hyderabad)**, **M/s. Noble Distilleries & Powers Pvt. Ltd. (Bellary)**, **M/s. Sunder Ispat (Hyderabad)**, **M/s. RC Technologies (Hyderabad)**, **M/s. Sigma Solid Strips (Bellary)** and **M/s. Hindustan Calcined Metals Pvt. Ltd. (Bellary)**. We owe our success to our mentor, "**Mr. Shekar G.**", who is a technocrat. He started the organization with an aim of becoming the most renowned manufacturer of **Material Handling** and **Process Equipment**. With the help and assistance of other team...
