We are one of the leading importer, exporter, wholesaler and supplier of an outstanding range of scientific instruments and laboratory equipment.

About Us

Established in the year **1985**, we, "**Hiten Brothers**" have emerged as a distinguished importer, exporter, Wholesaler & supplier of an exhaustive range of **Scientific Instruments and Laboratory Equipments**. The instruments offered by us are manufactured by our vendors using higher precision, along with the aid of contemporary technology. These products offer excellent performance and are in compliance with set industry standards. In the year 1960, Rajesh Trading Corporation was founded by Mr. G. M. Doshi, which was dealing mainly in laboratory items. Rajesh Doshi then joined the business in 1980 and the name was subsequently changed to "Hiten Brothers". In 1985, Kiran Doshi also joined this company. Hiten Brothers was established with a view to serve the Scientific and Lab community. A proficient team of professionals is employed by us, which work relentlessly to deliver optimum quality products to our valued clients. We represent some reputed brands of the industry such as Milwaukee, Dimple, Eutech, G N I, Insil and Gold Coin. In order to store all the products in a systematic manner, we have developed a spacious warehouse unit at our premises. We also have a showroom called "Headline" which was formed in 1994 and is handled by Hiten and Paresh Doshi. We are a renowned stockist for omron healthcare, whatman filter paper and borosil glasswares. All our products are of superlative quality and precision engineered. Under...
