Manufacturer of brutni shoe, churchill shoe, crazy shoe etc.

About Us

Since the very day the first Hitz shoe has been manufactured we are Exclusively offering high quality shoes. Our shoes are manufactured of carefully selected and high quality leather. In the process special attention is paid to an accurate workmanship. This is where experience from Traditional German craftsmanship meets highly advanced manufacturing technology. The accurate workmanship is accompanied by our love and passion for detail. Thus we are granting not only an excellent fit, but also an unmistakably appealing design with elegant detail. Right from the beginning each HITZ Shoes has to go through complex quality checks, starting with the Selection of material through the production process and the final inspection up to intricate tests by independent institutions. HITZ shoes are distinct by their unique seals the HITZ Ellipse. This seal stands for best quality at all time.
