

Hma Automation Systems India Private Limited

<https://www.indiamart.com/hma-systems/>

We are one of the reputed manufacturers, suppliers, importers and exporters of Turbine Ventilators and Industrial Equipment. Our products exhibit features like optimum performance, environment friendliness and resistance to stress & corrosion.

About Us

In the year 2000, our organization, '**HMA Automation Systems (I) Pvt Ltd**' was established as a Limited Liability Corporation. Within a decade, we have found enormous success and have successfully carved a niche in the industry. With an annual turnover of approximately 40 Million INR, we are counted amongst the noted manufacturers, suppliers, importers and exporters of Turbine Ventilators and Industrial Equipment such as Hot Melt Adhesive Application Systems, Hot Melt Carton Sealers, ITW Challenger Parts, Challenger Hose, Challenger Nozzle, Ecocool Turbine Ventilators, Aluminium Turbine Ventilator, Stainless Steel Turbine Ventilator, Turbo Vent, Turbo Ventilators, Turbine Ventilator, Challenger Parts, Challenger Nozzle and Nozzle Nut L0921. The products, which we offer are acknowledged for features like optimum performance, resistance to stress, environment friendliness and corrosion resistance. We supply our products to the clients operating in industries like electrical domestic appliance, textile, foodstuff, general merchandise, pharmaceutical, chemical and others.

In order to sustain our growth and consistently strengthen our stronghold in the market, we have developed an advanced manufacturing unit. Our robust infrastructure is supported by advanced line of machinery and an accountable workforce. Owing to such dynamic facilities, we are able to render consistent support and consultancy for design & manufacturing services. In order to deliver the...
