The Holistic Healing Foundation of India is a public charitable trust which has been instituted for the noble purpose of encouraging.

## About Us

The Holistic Healing Foundation of India is a public charitable trust which has been instituted for the noble purpose of encouraging and supporting people on their quest for physical, emotional and spiritual well being and development. Since the past decade and a half this foundation has helped thousands reach their true potential and cope with physical, mental and emotional trauma and diseases. Based on the principles of educating, empowering, enriching and enlightening.
