About Us

We “**Honest Machinery Pvt. Ltd.**”, started in the year **1984**, at **Bardoli (Gujarat, India)**, are exclusively a single unit with the brand name **Honest Machinery**. with no sister concern having misleading name. Our group company is pioneers in manufacture pulp and paper machine since 1976-77. Initially, the company supplied small capacity plants in Gujarat. After having experience of one decade and looking to tremendous potential in the core industry, the company was renamed as Honest Machinery Private Limited (HMPL) in the year 1986. We are instrumental in **Manufacturing, Exporting and Supplying** best quality **Paper Machinery, Paper Processing Machine, Paper Making Machine, Pulping Machine, MG Cylinder**, etc. Additionally, these machines are highly appreciated in the market for their salient features such as long functional life, hassle free performance, optimum functionality, anti-corrosive body, etc. We provide these machines at highly competitive prices to the patrons.

Director of the company “**Mr. Dhansukh Panchal**”, have a vast experience and detailed application knowledge of paper industry, enthusiasm and dynamic outlook of marketing, played a key-roll in growth of the company and captured good market, have supplied major plants in South India particularly Tamil Nadu and Kerala and with a pride, received repeat orders too. We are utilizing our past experience in...
