About Us

HostMacro Web Service is an (Chennai) India based professional, affordable and quality Web Hosting and Domain Name Registration service provider. Our goal is to provide reliable web hosting service at competitive price so that every individual is able to show their presence online. As our company name HostMacro Web Service, we have a huge capacity to handle any amounts of load. Our main aim is to provide best support to our customers along with cheap reliable web hosting and domain name registration services. When support comes to matter we have professionally trained members who have good knowledge and exposure to the field of web hosting. All our support and sales team staffs are very friendly to customers and also ready to help out with any problem in using our service as soon as possible. We provide complete Phone support and SMS alerts for Customers in India when ever necessary, because every one can't check their mails often for important notification. We inform the customers about their Domain name renewal time, any new offers, any scheduled maintenance and any other important alerts through SMS alerts along with Emails.
