

HRJ Polymers Private Limited

<https://www.indiamart.com/hrjgroupofcompanies/>

We are identified as a reliable manufacturer and exporter of all kinds of polymers and color master batches. Offering high quality products and with our quality management techniques, we have also achieved the ISO 9001: 2000 certification.

About Us

We, at 'HRJ Group of Companies' are engaged in manufacturing and supplying of an extensive array of Color master batches and a large variety of polymers. Maintaining the quality of our products, we have come up to deliver a range that meets the needs of different industries. Known for their superior quality, these products have better thermal stability and also enhance the appeal of the products.

A well established firm in 2005, we have developed and built up a strong infrastructure with all the latest technology and high performing machines that deliver higher output and facilitate hassle free production. With our experienced and qualified mentor and director Mr. Sujeet Jain, we have reached new heights in the industry of color batches and polymers. Nestled in New Delhi, we have benefited from our locational advantage and have been supplying our products to a large number of clients in different parts of the nation. Our logistics support and strong distribution network have helped us to deliver the consignment with in the stipulated time limits.
