# Shobika Hydraulics

<https://www.indiamart.com/hydroautomation/>

Recognized as a reliable manufacturer and supplier, we are engaged in offering Hydraulic Press & Molding Machine. Owing to their steady performance, less power consumption and minimum maintenance, these machines are highly demanded.

## About Us

**Shobika Hydraulics** was established in the year **2007** and it has emerged as one of the prominent manufacturers and suppliers of the best quality of Hydraulic Press & Molding Machine. Consists of Rubber Moulding Machine, Hydraulic Bale Press and Hydraulic Baling Press, we offer a wide assortment of presses and molding machines. In agreement to the specifications and designs provided by the customers, these presses and molding machines can be customized at our end. Rendered by us at cost effective prices, these molding machines are known for their ease of operation. In addition to this, the offered molding machines require less power consumption. In addition to this, these presses are manufactured in compliance with the industry laid norms by using advanced machinery and equipment.

Backed and supported by a team of skilled professionals such as technicians, engineers, quality controllers, R & D personnel, sales & marketing personnel and skilled workers, we work to attain maximum customer approval. Determined to attain maximum customer approval and satisfaction, we assure that the premium quality of the offered hydraulic presses and molding machines are never compromised.

Under our manager, **Mr. Krishna Kumar**, we have been able to meet the precise needs of the market in the most efficient manner. He with us excellent management skills has helped us in catering to a huge clientele across the nation. Some of our...
