Hylite Galvanisers

<https://www.indiamart.com/hylite/>

Hylite Group is essentially involved in metal finishing processes. Based in Mumbai-Pune region we are renowned for our versatility in providing electroplating and Hot-Dip galvanizing solutions.

About Us

Established in the year **2017**, our organization, '**Hylite Galvanisers**' is operating as a partnership firm engaged in offering highly best in class Hot-dip galvanizing solutions. We have been in the business of electroplating since the year **1945** and have grown over the years as a leader in electroplating and galvanizing services. We have in all six units which cater to all kinds of manufacturers with a variety of electroplating such as zinc,copper,nickel,cadmium,tin,nickel-chrome, ss polishing, phosphating, lead plating. (see our list of sister concerns below) Our galvanizing wing operating under the name of Hylite Galvanisers offer the best in class services adhering strictly to IS standards and other international quality standards such as ASTM and DIN. We have developed a state-of-the-art infrastructure, which comprises more than 150 highly trained and qualified employees and five highly advanced production factories. Our production units are capable of producing up to 1000 tons per month and we timely serve bulk orders through our wide distribution channel. Owing to our Superior quality, we have been certified with the **ISO:9001:2008 certification**.
