## About Us

Established in the year **2012**, we, **iGreen Firm** is most reputed organization, catering to the needs of large customers by providing desired solutions to them. The company's ownership type is **sole proprietorship** and is involved in **processing, cultivating and supplying** a comprehensive range of **Spirulina Plant Cultivation, Fresh Dates, Date Plants, iGreen Spirulina Powder and iGreen Spirulina Capsules**. We also offer quality **service** for **Spirulina Cultivation Assistance** to our valued client. The company has earned a reputed position in industry for providing endlessly better quality and result oriented range to the clients. Quality approved ingredients are used in the processing of our range, which we source from the authorized vendors of industry. Furthermore, our range is acknowledged and highly demanded for their non-toxicity, high nutritional value, great taste, hygienic processing and many others. Besides, for retaining the quality as well as actual value to the products, we pack them using best quality packaging material. This also helps us making safe and sound delivery of the bulk consignment. It is just because of schedules delivery of the clients' specified orders, ultra-modern facilities and untiring support of personnel that we are successful in gaining the loyalty of huge clientele based across the nation.

Our company is growing endlessly and has placed desired status in the industry by executing...
