## About Us

Established in the **year 2003**, we, "**Icon Export**", are an **ISO 9001:2000** certified manufacturer, supplier, exporter and trader of **Building Material**. Our organization is world famous for offering most innovative and environment friendly product to the customers. Manufactured with highest grade of raw material, these products are majorly used in the construction of homes, offices, farmhouses, educational institutions, hospitals, trade & technology parks and other kind of buildings. We also trade some of the products that are procured from leading market vendors. We have developed a state-of-the-art infrastructure at the core of the **Morvi (Gujarat, India)**, which is equipped with latest technology and tools. Our team of expert engineers, designers and other members hold proficiency in manufacturing these machines. Use of advanced machines and world class technology leaves no room for any kind of flaws in the finished products. Besides, our quality controllers also cross check every manufacturing stage for avoiding any further possibilities of errors. We work with a view to strengthen and built long term relations with the customers and thus garner a huge customer base that is spread across the **Indian Subcontinent, East/Middle Africa, North Africa, South/West Africa, East Asia, Middle East, South East Asia** and **North America**. We are heading under the aegis of our mentor, 'Mr. Bhavesh Dasadiya',...
