

# Infrastructure And Logistics Federation Of India

<https://www.indiamart.com/ilf-india-services/>

ILFI's prime concern is to identify and stimulate collective growth opportunities, and enable holistic efficiencies across the infrastructure and logistics industries.

## About Us

ILFI's prime concern is to identify and stimulate collective growth opportunities, and enable holistic efficiencies across the Infrastructure Industry And Logistics Federation of India. ILFI aims to bring together the experts, intellectuals, business leaders, and all those who are directly associated with these sectors. ILFI is committed to becoming a fountainhead of innovative ideas and practical policy approaches by forging strong public-private partnerships. In addition, ILFI will act as a catalyst by triggering quantum leaps in the qualitative growth and performance of these sectors. ILFI aims to unite dynamic minds in every sphere of life to resurrect and reinvigorate the confidence in India's growth potential. It will also identify and implement solutions that catapult India to a sustainable higher growth trajectory. Objectives **ILFI will strive to achieve the following objectives:**

- ILFI will make representations on behalf of the members of the Federation, and establish liaison with the Important and necessary data, and Information pertaining to the issues affecting the Infrastructure, construction, and logistic business will be provided to the members.
- Provide to the members, important and necessary data/information pertaining to the issues affecting the Infrastructure, construction, and logistics sectors. We promote infrastructure, logistics, construction, and allied industries and businesses in their growth and development, by...
