

Indian Mango Wood Furniture

<https://www.indiamart.com/im-woodfurniture/>

India is home to one of the world's largest handicraft industry. Ace craftique is a reputed manufacturer and exporter of all kind of indian wooden and iron furniture.

About Us

Mango Wood is an extremely beautiful hardwood. and having been used as a sustainable resource for furniture throughout Southeast Asia for decades, is becoming very popular in the West, especially due to it's far greater sustainability over other popular hardwoods such as oak or teak. Mango Wood is so sustainable due to it's primary use as a fruit tree. Here at Mango Furniture India you will find a great selection of beautiful Mango Wood Furniture. Our range of mango wood furniture's are the rustic furniture's at it's most beautiful. Made predominately from mango wood, these furniture's are traditionally hand finished with a natural to give a warm patina that will be enhanced with time and use. We are proud to introduce our company to you. We are a reputable and reliable manufacturer and exporter of Indian furniture. Our aim is provide good quality furniture, for any kind of buyers and customers. We sell our handmade furniture products to wholesalers, distributors, and retailer stores worldwide. No matter how big or small your company is.
