<https://www.indiamart.com/imindustries/>

We are one of the leading manufacturer and supplier of Gates, Railings, Grills & SS Furniture, etc. Due to their utmost quality, these products find extensive applications in domestic as well as commercial sectors.

About Us

Established in the year **2000**, at **Chandigarh (India)**, we “**IM Industries**” are one of the trusted manufacturer and supplier of **Gates, Railings, Grills, SS Furniture, SS Dining Tables, Trolleys, Chairs & Columns**. The provided products range includes **Automatic Swing Gates, Decorative Main Gates, Ornamental Main Gates, Elegant Stainless Steel Railings, Sleek Steel Railings, Bend Glass Railings**, etc. These products are acclaimed for sturdy structure, reliability, durability, low maintenance, easy installation and convenient handling. Our products are widely used in both, residential and commercial sectors. Backed by a sophisticated manufacturing facility, we are able to manufacture our products in terms of the newest market developments. Our firm is blessed with the personnel with profound expertise to serve our customers as per their laid specifications. In order to supply products with absolute quality, we have a team of quality experts to test the products at various production levels. Complying with the recent market trends, it has become possible for us to garner a vast client base for our enterprise. We have installed a voluminous warehousing facility that is outfitted with the needed amenities, which enables us to store our products in a safe environment. In order to combat with harsh conditions, only high grade material is used while carrying out the packaging procedure of these products.
