We are one of the prominent manufacturers of a comprehensive range of **Gates, Railings, Designing**, etc Furthermore, we are also engaged in providing the clients with **Bridge Fabrication Services**.

About Us

Established in the year **2007**, we **Impex Engineering Works**, are one of the leading names engaged as manufacturers of a quality proven array of **Gates, Railings, Designing, and Tapan Glasses**. Moreover, we our forte also lies in providing the clients with **Bridge Fabrication** services. Our organization has trade memberships with **EEPC, AEPC, FIEO, FICCI, and CII**. We always make sure that only best quality products are offered to our clients. Being a client centric organization, our entire endeavors are directed towards providing the clients with the satisfaction they always look for. In order to achieve complete client satisfaction, we always manufacture a quality proven range of products. This is made possible due to tireless efforts of our team. With a sound manufacturing unit, we are capable of competing our production targets on time. Further, our team also helps us in providing flawless bridge fabrication services. The organization has grown leaps and bounds owing to the visionary guidance and sharp business acumen of our mentor **Mr. Abrar Alam**. His know how of the industry have helped us in providing best quality products and perfect services. His support has made us capable of gaining an edge over our industry counterparts.
