About Us

Inboit Solutions specializes in providing leading edge solutions for the IT services industry worldwide. Our past 10 years accomplishments, proves our success in the IT field. It's how we keep you moving forward. Our corporate vision is to be a globally admired technology partner of choice for the ITES industry. Inboit offers world-class offshore outsourcing and consulting services specializing in IT-enabled services, back office outsourcing services and business process outsourcing solutions from across the world guaranteed to cut costs and improve quality. Inboit makes your big leap into the virtual business community easy and affordable. We pride ourselves in striving to get our customers to dream, defy conventional thoughts, apply their creativity, and exploit technology to the limits. Inboit operational business model encompasses three key facts:

- Offshore development and consulting services
- Solution sales and support
- Technology incubation and development.

A screenshot of a "Customer Satisfaction Survey" form. The form is titled "Customer Satisfaction Survey by your company". It has a header with the company name. Below the header, there are several sections with labels like "Section 1", "Section 2", and "Section 3". Each section contains a table with columns for "Excellent", "Very Good", "Good", "Fair", and "Poor". The tables are used for rating different aspects of the company's services. The form is designed with a clean, professional layout.
