India Spun Pipe And Industries is the leading manufacturer and supplier of Pipes and related products. Our product library encompasses RCC Pipe, RCPC Manhole, Trench Cover, Paver Block and many more.

About Us

Vested in the year **2007**, as a **Partnership** venture, **India Spun Pipe And Industries** is operating its all business from its operational unit located in **Kolkata, West Bengal (India)**. Our company ventured in the **manufacture** and **supply** of **pipes** and **fittings**. Our product array includes a number of **pipes** and **fittings** such as **RCC Pipe, RCPC Manhole, Trench Cover, Paver Block** and **many more**. Our durable range of products is widely demanded by our esteemed clientele owing to their long life and reasonable process. We employ high grade additives to make our products more robust and sturdy. We use latest techniques in the manufacturing process so as to make them more demandable. Their features make them perform well in all weather conditions. We have taken care of our clients a bit more beyond their expectations. For their convenience, we have employed a number of payment gateways. Under the sagacious guidance and governance of **Mr. Mriganka Ghosh**, we have become able enough to gratify our valued customers as per their specified desires. He consistently strives on employing latest trade methodologies and technologies which help us remain in pace with the market. To stimulate growth of the organization, he timely conducts training and guiding programs which helps our team mates in enhancing their production capability. His goal oriented approach and customer driving...
