About Us

Indicoco Exports was established in 2007 with a sole objective of promoting cleaner and greener environment. Built on the premise of ethical business policies and fair dealings, we have registered a position of one of the leading manufacturers and exporters of Coconut products in the industry. The active support provided by our team and effective production methodologies has helped us in offering Coco Peat/Coir Pith Blocks, Coco peat Briquettes, Coco peat mini grow bags, Coco Discs, Coco Husk Chips Blocks, Coco peat block Crushing Machine, Organic Manure, Organic Fertilizer, etc as per the requirements of the users. Being aware of our responsibility towards creating, maintaining and ensuring a safe and clean environment, we have aligned our thought process to develop eco-friendly products only. Our vertically integrated manufacturing system enables us to use nature's resources to make products that are in line with nature. Setting new benchmarks with our endeavour we constantly focus on complete customer satisfaction. The quality of the products offered by us complies with international standards and thus has resulted in an enormous increase in the demand. It is our vision to present nature's best resources in new and innovative ways and promote global green awareness. Our ability to understand water quality, soil related problems and concerns of plants have enabled us to earn respectable position as the friend of Flora community.
