We are a top notch organization engaged in manufacturing and supplying an exclusive range of Stationery Items. These items are known for their safe packaging, creative & intricate designs and superior quality.

About Us

Established in the year **1982**, we “**Indore File & Stationery**”, have been involved in the field of manufacturing and supplying an impeccable range of **Files**. Developed using superior quality material, these stationery items are widely accepted in the schools, colleges, corporate offices and households. These items are applauded in the industry for their attractive & creative designs, unique patterns, safe packaging and varied colors. Moreover, with the usage of latest production methodologies, we have been able to supply these products in standard as well as custom-made designs and shapes. Being an ambitious company, we have established a well-equipped infrastructure unit, which is installed with modern machinery. In addition to this, our quality inspection team check the entire range of products during various stages of the production process to ensure that these are in conformation with the international standards. Our logistic personnel ensures that all products reach at the clients' destination in a pristine state. Furthermore, our clients can regularly check the product availability and their pricing. Due to all these and various other factors, we have become the preferred choice of our clients spread across the nation. Under the able patronage of our mentor, '**Mr. Dilip & Mr. Pradeep**', we have achieved huge success and growth in this competitive domain. His sharp business acumen and...
