Industrial Electrical Corporation

<https://www.indiamart.com/industrialelectricalcorporation/>

We are an ISO 9001:2008 certified **Manufacturer, Exporter and Supplier** of excellent quality **Power Transformer, Servo Stabilizers, Current Transformer, Variable Voltage Transformer,** and many more.

About Us

Incorporated in the year **1980** we “**Industrial Electrical Corporation**” are engaged in **manufacturing, exporting and supplying** an assorted range of **Power Transformer, Servo Stabilizers, Current Transformer, Variable Voltage Transformer, Electrical Transformer, Oil Cool Transformers, Dry Type Transformers, Cast Resin Type Transformer**, etc. These products are precisely engineered using supreme class components and latest technology under the guidance of skilled team of engineers, technicians and other professionals. The offered products are highly appreciated for characteristics like rigid construction, easy installation, simple maintenance, hassle free performance, excellent functionality, durability and longer service life. Our esteemed patrons can avail these products from us in different technical specifications at the most reasonable price. Further, our major clients are in Middle- East countries (Kuwait, Qatar, Saudi Arabia, Iran and Iraq) and in South-Asian countries where it includes the Malaysia and also in African countries (Kenya, Tanzania, Ghana and Nigeria).

Located at **Ahmedabad (Gujarat, India)**, we have developed an ultra-modern infrastructure unit that is spread across **45000 sq. feet**. Installed with cutting-edge technology and avant-garde machinery, our infrastructure facility helps us in carrying out all the allied processes like manufacturing, quality testing, research &...

POWER TRANSFORMER

Our Products

Oil Cool Transformer

Dry type Transformer

High Tension Transformer

Step Up Transformer

VARIABLE VOLTAGE TRANSFORMER

Our Products

Variable Voltage Transformers

Dimmer Transformer

Variac Transformer

ELECTRICAL TRANSFORMER

Our Products

Buck Boost Transformer

Distribution Transformer

Voltage Transformer

OTHER PRODUCTS:

Step Down Transformer

Unbalance type Servo Stabilizers

Balance type Servo Stabilizers

Single Phase Transformers

OTHER PRODUCTS:

Oil Cool Transformers

Dry type Transformers

Cast Resin type Transformer

Factsheet

Year of Establishment	: 1980
Nature of Business	: Exporter
Total Number of Employees	: 26 to 50 People
