We are one of the prominent organizations involved in processing subscription to magazines in Various Subject areas including Engineering , Polyester, Textiles, etc. We are official distributors of Cutting Tool Engineering Magazine (USA)

About Us

Established in the year **1985**, we “**Information Services**”, are one of the leading firms engaged in trading a wide range of magazines & offer service to process subscriptions to all magazines /journals, in any subject category, published in India or abroad. Provide details of price, periodicity, etc of desired periodical in various subject areas like Engineering, Plastics and Polymers, Chemicals, Automobiles, Computer, Management,etc. Also procure and supply technical articles. These are published in English language to meet the requirements of clients, who are keen to about the engineering sector and related information. We have employed highly qualified and experienced Managerial Staff . The range of magazines provided by us to the clients are widely used in DRDOs, Engineering Colleges, ITI Colleges and other sectors. These Magazines are provided as per the specification of the clients at most affordable prices. All these factors have gained us a long list of clients. Our mentor, '**Mr. Anant Ghan**', is a man of extensive domain knowledge and expertise. He has done MA as well as M Lib & Information Science. Further, he worked as a Head of Acquisition Department in Punjab university Liberty, Chandigarh, and organized library and information units in different Industrial R&D Sectors , had an exposure as a training manager for 4-5 years in a large industrial house
