We are one of the most trusted organizations engaged in rendering consultancy services for obtaining ISO, HACCP, SA and other Prestigious Certifications. Our services are known for being planned, cost effective and reliable.

## About Us

Established in the year **2005**, we, “**Innovative Quality Consultancy**” are one of the prominent organizations engaged in rendering consultancy services for obtaining **ISO, HACCP, SA and other Prestigious Certifications**. These services are rendered by our expert professionals, who are highly qualified. Our services are known for being prompt, reliable and planned. We also provide required training to the clients and make them familiar with the conditions, which must be fulfilled to acquire these certifications. Our organization has a huge network spread across the Indian Subcontinent, which enable us to render our services efficiently. We also ensure that our clients are provided with required assistance and their queries are solved during the training process. Owing to our ability to meet assigned projects within the predetermined time frame, we have garnered the trust and faith of the clients. Presently, we have acquired many reputed clients not only from India but across the Indian Sub continent. We have progressed immensely under the guidance of the owner “**Mr. Navaneethan**”, who holds vast experience of 9 years in this domain. He has helped us in taking tough challenges and acquiring outstanding results. Owing to his constant motivation and support we have attained new heights.
