<https://www.indiamart.com/insatcontrols/>

Insat Controls is an ISO 9001:2008 certified firm engaged in manufacturing, supplying and exporting Control Panels, Overload and COP-LOP Systems and Door Curtain Sensors. Our range is known for excellent performance and easy installation.

## About Us

Established in the year 1997, we, “**Insat Controls**”, are a prestigious **ISO 9001: 2008** certified business entity engaged in manufacturing, supplying and exporting a pristine assortment of **Control Panels, Overload & COP-LOP Systems and Door Curtain Sensors**. The offered range is fabricated in strict accordance with the international quality standards using premium quality components, which are sourced from the reputed vendors of the market. Besides, our professionals employ advent tools and sophisticated technologies to develop a quality approved range of components. Owing to the qualitative fabrication, our range is appreciated by the clients for easy installation, excellent performance, dimensional accuracy, reliability and longer service life. We have developed a sophisticated infrastructure which is spread over a large area. Further, for the ease and satisfaction of the customers, we have segregated the infrastructure into various units such as manufacturing, quality control, warehousing, R & D, packaging & administrative and sales & marketing. These units are well-installed with all the modern machines, tools and equipment that are required for an efficient production process. Further, these units are managed and controlled by expert professionals so as to ensure safe & secure business operation. We also frequently lubricate & upgrade the machinery so as to keep abreast with the upcoming...
