We are a leading **Manufacturer, Trader** and **Supplier** of a wide assortment of **Apple Trays, Egg Trays, Egg Boxes And Cartons, Shoe Inserts**, etc. Offered products are manufactured as per the defined standards.

About Us

At INSIGNIA PROJECTS, we manufacture sustainable packaging from recycled materials. Using recycled paper and recycled cardboard, we pulp, mould and after-press the materials into new formats such as protective packaging, retail packaging and industrial packaging.

INSIGNIA PROJECTS was set up in 2010 with the principles establishing a business which makes quality sustainable pulp moulded products. We manufacture and supply a wide range of apple trays, egg trays and egg boxes. Since providing the best quality products is our Motto, we ensure the sourcing of high grade raw materials. The tray moulds are finely designed by the expert team of skilled craftsmen and efficient workers. The team comes up with a rich experience and knowledge of this industry and also uses advance production equipments for better utilisation of resources. From designing, forming and model processing to quality testing and delivering, we provide the best packaging solutions for your fruits and vegetables, keeping the track of high quality at low cost.
