INS Ind Food

<https://www.indiamart.com/insindfood/>

Ours is a professionally managed firm engaged in manufacturing of hot and cold pre-mixes. Apart from this, we are also Manufacturing a range of hot and cold vending machines.

About Us

Conceptualized in the year 1998, **INSIND FOOD** has carved a niche for itself in the Food and Beverages industry as a reliable manufacturer of hot and cold premixes as well as vending machines. Our products find widespread application in innumerable coffee shops, offices, airports, railway stations, etc. The comprehensive array of our products includes economy single option vending machine, Dx60 double option vending machine, hi tech vending machine, triple option vending machine, multiple option-hot vending machine, dairy Whitener, Instamix coffee and Instamix tea. In the back drop of the tremendous success enjoyed by our present line of products, we are focusing towards coming up with an innovative range of products like Malt based health beverages. These beverages will be targeting children for their popularity. For managing our varied production activities, we are supported with in-house facilities having an installed capacity of 5MT per shift.
