Intercity Enterprises

<https://www.indiamart.com/intercity-enterprises/>

We are the leading manufacturer and supplier of a quality approved range of Natural Minerals, Clay Powder and Rubber Raw Material. All our products undergo strict quality control to ascertain the functionality before being offered to clients.

About Us

Our sole proprietorship firm, Intercity Enterprises was **established** in the year **1996** at **Kolathur, Chennai, Tamil Nadu, India**. We are involved in **manufacturing** and **supplying** of a wide array of **Natural Minerals, Clay Powder and Rubber Raw Material**. Our efficient quality controllers are experienced to select and procure the best of quality of raw material from the vendors. We procure material from only the tried and trusted vendor base. Customization is satisfactorily accomplished by their strategic quality control approach. Other quality parameters like chemical compositions, purity, sturdiness and premium packaging are taken care of efficiently much to the satisfaction of all clients. A team of technical and extremely skilled professionals have been employed by the firm to ensure optimum quality and to take care of perfection of products for their unmatched performances in order to find complete satisfaction of the clients. The competence of our personnel is backed up by many years of experience in their respective field of work. **The Managing Director, Mr. V. Sivakumar** is accustomed to the trade since many years and due to his excellent entrepreneur skills for purchase of raw materials, manufacture and packaging of all the products has enabled extensive growth of business. No compromise is made with quality of raw material used for manufacture. Only the prime raw materials are used which are quality...
