About Us

Established in the year **1999**, we, “**Inter Design**”, are engaged in offering a wide spectrum of **Interior Designing Services**. These services are focused on multitude areas such as residential apartments, retail sector, commercial establishments, educational institutes, landscaping and hospitals. In the past, we have successfully completed design projects and we have satisfied clients from different sectors. We are trusted in the industry for turning dreams into reality with our new age designing concepts. Our designs and ideas have added new dimensions to the concept of interior designing. The designing projects we have undertaken in the past have been appreciated by clients due to their aesthetic appeal, practicality and commercial viability. We hold expertise in providing designing solution that are specific to the requirements and preferences of our clients. We take into consideration various factors like the sector, space availability, design approval, material to be used and cost estimates while rendering the services. Owing to such well-organized and thoughtful processes, clients have bestowed their trust upon us. Our organization has grown by leaps and bounds under the able guidance of our mentor '**Ms. Mona Shah**'. He has motivated the team to think of fresh ideas and concepts. His strong industry knowledge along with his business ethics has helped our organization to garner a large client base in Indian...
