About Us

ITDH Venture is serving since 2012, to support and encourage the use of Security and surveillance system in all the sector of work and by every class of people; as such making contribution towards the creation of a safe and secure environment to work and live in. One of our mission is, and will always be is an expansion of satisfying and enhanced services in the field of security and surveillance systems and to be a leader in the IT & Security Industry. We strongly believe in developing a strong base of customers by providing them the best and reliable security solutions as per their needs. We have already completed more than 500+ installations across West Bengal & Odisha and looking forward to expanding more.

Core Value

We believe in treating our customers with respect and faith. We give emphasis to provision of Innovative solutions to the customers and try our best to safeguard their interest. We incorporate honesty and business ethics into all aspects of our business functioning.
