

# ITG Consulting Private Limited

Offering onsite applications consulting services, I phone applications development etc.

## About Us

ITG Consulting Pvt. Ltd. was incorporated in October 2006 by two individual and later joined Prabhneet after then we started FLH which was totally into UK mortgage business. Initially the company was registered at London Company house with name IT Global Consulting Ltd. and later in India in 2007.

- **Gaurav Dalal aka Gary (Computer Sc. Engineer)**
- **Anuj Juneja (Masters in Computers & Business Administration)**
- **Prabhneet Maini (Bachelor in Business Administration)**

From start, the companys **vision** was clear:

*To become a globally respected corporation that provides custom made business solution, consulting and technology, delivered by people with passion for technology.* The company was not a charitable institution to teach people to do business or someone who was looking to making short term money and then fade in the days twilight. Both individuals were determined to make the company a success. Soon they were making thoughtful strategic decisions and started to grow out of the vendor model. March- 2007, the company decided to open a registered company in India and IT Global Consulting India was started on a proprietor basis in India and later converted as Pvt. Ltd.. The company is having 30 developers and designers on board. Company has made over 100 thousand pound business / yr since start and its growing day by day.
