## About Us

**Ivory Holidays** is a multi dimensional service destination Management Company established in 2006 as a **travel consultancy**, later expanded its wings in to the arena of large scale **travel** and **tourism** business with all set professional experience and long term customer trust. our operation is based in **Cochin** providing alternative tour experience in **South India** with a special focus on **Kerala** . Managed by a team of professionals having strong **tourism** background.

We have own wing of variety vehicles, associated **house boats**, **home stays** etc to extract the beauty of world known destination **Kerala**. Our association extends to leading Resort chains and **Ayurvedic centers** to provide you with a rejuvenating stay in the picturesque locales of **Kerala**. For us, **tourism** is not just site seeing, but synchronization with nature, and understanding the people and culture of the land. We cater to all kind of customer demand with customized **packages** that can be developed on request. Apart from **tour packages**, the company also provides facilities for travel and accommodation. **Tourists** from across the world can have the time of their life, experiencing an unforgettable cruise across the **backwaters** and trek across the...
