## About Us

Incepted in the year **2004**, in **Ghaziabad (Uttar Pradesh, India)**, we “**Jai Balaji Enterprises**” are known as the most reputed **manufacturer** and **supplier** of high quality array of **Chemical Earthing, Copper Earthing Electrode, Gel Chemical Earthing, Copper Pipe Earthing, GI Pipe Earthing** and **Light Arrester**. Our complete product array is known for the features like low spatter, self peeling slag, excellent weld finish, easy striking and re-striking, low oxidation, resistant to cracking, corrosion and scaling on elevated temperature. Our complete product gamut is manufactured using ultra-modern techniques and high quality raw material in compliance with the defined quality standards. These products are well tested on different quality parameters under the supervision of our quality experts.

We are backed by a well established a state-of-the-art infrastructural unit. Our infrastructure has assisted us to manufacture a world class product range. We have well-furnished our infrastructure with the modern machinery and tools for meeting the specific needs of our esteemed clients within time. Our infrastructure is well segmented into separate divisions like procurement, manufacturing, production, quality control, warehousing & packaging, sales & marketing, etc. These segregated units are efficiently managed by our experienced professionals. Being a customer centric organization, we work hard to achieve the...
