

Jaicom

<https://www.indiamart.com/jaicom/>

We are engaged in trading, exporting and importing of **Wiring Harness, Torque Wrench, Electric Screwdrivers, Automotive Sleeves, Automotive Connectors** and many more.

About Us

Established in the year **1992**, we at **Jaicom**, are engaged in trading, exporting and importing a quality range of Electrical and Electronic Components such as **Wiring Harness, Torque Wrench, Electric Screwdrivers, Automotive Sleeves, Automotive Connectors and many more**. These are widely used in automobile industry and are highly demanded by our clients spread nationwide. We deal in **KILEWS, Darton, BP** and many more brands.

Our spacious warehouse, modern packaging facilities and a wide distribution network help us to ensure that the consignments of our clients reach them safely and within the promised time frame. Besides, practicing ethical and fair business policies, we have gained the trust and confidence of our clients from all around the world.

Moreover, under the able guidance of our mentor, **Mr. Hersh Mahajan**, we are able to carve a distinctive identity for ourselves in the market. Owing to his extensive industry experience of 18 years and foresightedness, Mr. Mahajan is a source of inspiration for everyone in the team.
