About Us

We **JAINAM BIOMEDICAL** have corporate office in AHMEDABAD. We are a well established company in the business of marketing of products related to the entire field of Diagnostics, Bio-Technology, Veterinary, We have our well organized dealers located all over Gujarat. We have numerous fully satisfied customers which include top Pharma companies, reputed private and government/semi-government organizations/ research centers as well as universities involved in the research and development related to life sciences, Veterinary Research, Agricultural, We enter into annual Rate Contracts with almost every important research institute, which invite Rate Contracts for purchasing their research and development needs related to Life Sciences and Veterinary products on Rate Contract basis.

We represent reputed national & international companies, which are emerging world leaders providing top quality products at competitive prices.

Our technical staff maintains regular visits to the prospective customers and dealers to provide the best service. We promote our products with complete dedication; mainly through personal contacts with the assistance of our trained marketing and sales executives with the aim to provide total customer satisfaction.
