# Jaina Plastics

<https://www.indiamart.com/jainaplastics/>

Manufacturer and supplier of plastic raw material and plastic granules. Processed as per the industry standards, these are used in various industries like automobile, electronic and plastic.

## About Us

Established in the year 1999, we, **Jaina Plastic**, are amongst the leading manufacturers and suppliers of recycled A.B.S. Plastic Granules. We have carved a niche for ourselves in the market under the guidance of **Mr. Ankur Jain**. Owing to his visionary approach and constant motivation, we have been able to meet the clients' requirements in an efficient manner. Backed by a strong infrastructure, we are in a position to provide our clients with a flawless range. Our manufacturing unit is equipped with the latest machines, which allow us to produce our A.B.S. Plastic Granules as per the industry standards. Moreover, our infrastructure is well complemented by our dexterous team, which strives hard to meet the client's requirements in an efficient manner. Being a client oriented company, we can customize our A.B.S. Plastic granules, ABS Black Granules, ABS Natural Granules, Natural Plastic Granules, as per the requirements of our clients. Moreover, we also provide customized packaging facility to our clients to ensure their complete satisfaction.
