We are counted amongst the renowned stockists and suppliers of a broad array of Cement that is highly demanded in domestic markets.

About Us

Established in the year **1996**, we '**Jainum**' are a **sole proprietorship firm** engaged in stocking and supplying an array of **Cement and Tiles**. Based at **Mumbai (Maharashtra, India)**, our organization has gained a reputable position in the construction sector for offering sturdy and durable construction material. Behind our unblemished reputation also lie the industrious efforts of our team members in providing **Fabrication Services** for bathroom and kitchen. Cost-effectiveness is also a major attribute of our products and services. For a trading organization like us, it is very essential to maintain the quality of products at all phases; be it procurement or delivery. In order to meet the international quality standards, we have appointed an expert team that checks the products for their durability and reliability by conducting different tests on the procured range. Being a quality-driven organization, we also make sure that the services provided by us are at par with prescribed industry standards, and meet the requirements and demands of the clients. It is owing to such quality conscious approach that we have been able to establish a wide client base in the domestic market. For maximum satisfaction of clients, we facilitate them with timely delivery, effective packaging and safe storage. Our mentor, '**Mr. Ashok Jain**', has a sharp business acumen that has helped us establish cordial and long lasting relations with renowned...
