

# Jaipur Antique Beads

<https://www.indiamart.com/jaipurantiquebeads/>

We are the most prominent manufacturer, supplier, exporter and trader of Amethyst Bead, Apatite Bead, Aquamarine Bead and many other products. Our products are known for their superior quality and elegant look.

## About Us

**Jaipur Antique Beads** is basically the **sole proprietorship** based company which was established in the year **2012** at Jaipur in Rajasthan, India. We are the top leading **processor, supplier, exporter and trader** of **Amethyst Bead, Apatite Bead, Aquamarine Bead** and many other products. We also **manufacturer, supplier, export and trader Gemstone Jewellery** and more. We are the client centric company and we manufacture our products as per the exact demands and requirements of the clients. We also, keep the latest fashion trend of the market in our mind while developing the product range. This is the main reason behind the elegant and attractive look of our products. We use high grade material and creative ideas of our professionals while manufacturing the products. On the other hand, we test these products at various levels as per the set industrial quality norms and parameters to ensure the quality of the products. Also, we offer these products at market leading prices which satisfy the clients most.

**Jaipur Antique Beads** is doing a fantastic job in the market due to the guidance of our **Mrs. Anju Khandelwal**, who is the proprietor. She is highly experienced and skilled in her respective domain which helps us to achieve the target goal and objectives. Also, she encourages the other employees by sharing best part of her knowledge and experienced with them. She is the most important part of our organization which play an...
