About Us

Jairaks was established in the year 1981. We are the leading OEM Manufacturer of Bio Pesticides, Organic Agricultural Chemicals etc. We are a credible name for making available Micronutrient Mixture Liquid Fertilizer, which finds wide applications. Micronutrient Liquid Fertilizer, we offer, works wonders to enhance soil fertility. Micronutrient Liquid Fertilizer, which we offer, provides dual benefits of protecting the crops as well as supplying balanced nutrition to plants. We offer Micronutrient Liquid Fertilizer at market leading prices.

This fertilizer contains nutrients and trace elements, which enhance the plant growth. It can be utilized as foliar spray or for direct application to the soil as bio fertilizer. The seaweed is extracted with water and then with alkali under specific temperature and pressure. The extract is filtered and concentrated from Marine brown algae. This liquid seaweed fertilizer is also properly packed in different quantities as per clients demand.
